

Music in the Round presents:

MUSIC IN  
THE ROUND 

# Izzy Gizmo

FOR EARLY YEARS & KEY STAGE 1

Performed by **Ensemble 360**, narrated by **Lucy Drever** (*Philharmonia Orchestra, BBC Scottish Symphony Orchestra, Benedetti Foundation*), and with original music by **Music in the Round** Children's Composer-in-Residence **Paul Rissmann**, Izzy Gizmo is back at the **Crucible Theatre in October 2026!**

The best-selling children's book **Izzy Gizmo**, written by **Pip Jones** and illustrated by **Sara Ogilvie**, tells the enchanting story of an intrepid young inventor who puts her talents to work to rescue a crow that can't fly. Together with story-telling and visuals from the book, this concert is a great introduction to live music for children. It's full of wit, invention, songs and actions, and plenty of opportunities to join in.

**Music in the Round** invites your class to take part in a brilliant music project, culminating in a live concert at the Crucible Theatre this October. **Paul Rissmann** has created a fantastic musical version that features pots, pans, whistles and household items (as well as orchestral instruments) for your class to learn and join in with in the concert.

Our practitioners will **support you to embed singing and music-making in classroom learning with training, resources, and in-school support**. We will share **cross-curricular** teaching resources to explore the **themes, story and music** of **Izzy Gizmo**. The project introduces young children to classical music in a playful, engaging and enriching way.
